

YOUTH PEACE LAB

OCTOBER 28 – NOVEMBER 4, 2023 IN OSNABRÜCK

At the end of the anniversary year, the city of Osnabrück reflects on the seven months of programming and bundles the seven peace themes into a future-oriented format centered on international, interreligious and intergenerational exchange.

YOUTH PEACE LAB

28.10. - 04.11.2023

Who

City of Osnabrück with the
Global Diplomacy Lab

The Global Diplomacy Lab has been based at the Federal Foreign Office's International Diplomacy Training unit since 2014. It is run in a private-public partnership between the Federal Foreign Office, the Robert Bosch Foundation, the BMW Foundation Herbert Quandt, the German-American Fulbright Commission, and the Slovenian Ministry of Foreign Affairs.

Partner

German Foundation for Peace Research

The conclusion of the Youth Peace Lab will be linked to the international conference "Laboratory for Peace: Mediation and Negotiation Processes in Political Conflict Transformation" from November 02 - 04.

What

50 young people from
international countries and
Osnabrück

10 Experts from the Global
Diplomacy Lab network

7 days of workshops, inputs and
discussion sessions on
intersectional conflict mediation

**Young adults from international
countries can apply until August 3,
young adults from Osnabrück until
August 24.**

Auswärtiges Amt

The Youth Peace Lab is sponsored by the German Federal Foreign Office.

The Youth Lab aims to ...

... enable young people to discuss current conflict
to discuss current areas of conflict from different positions

... jointly develop solutions for the future

... create networks for the future
